To Whom It May Concern:

This letter of reference is based on my experience in working with Vicki Stoecklin of the White Hutchinson Leisure and Learning Group Inc. The Spartanburg Regional Child Development Program hired Vicki to consult on two projects. One project involved the creation of a satellite center and the other involved the up-grade of playground space at our existing site. We found Vicki to be very knowledgeable and creative. She worked effectively within constraints and tight deadlines. Our experience was positive. The building construction was never completed but the playground has proven to be fun, safe and developmentally appropriate.

Sincerely,

Ida P. Thompson
Former Director
